VICE-PRESIDENT'S REPORT: Michelle McMall - no report

TREASURER'S REPORT: Michelle Spitz

Distributed monthly financial report for the Booster Club. Account balance on 1/21/08 is \$12,714.01.

SECRETARY'S REPORT: Kim Mattson - no report

FUNDRAISING REPORT: Cassie Tuckey on behalf of Jennifer Richards

Delinquent notices were put in folders on 2/13/08 for those families who did not pay by the deadline for their fundraising. The next deadline is March 15th with balances being due by April 1st. There are no exceptions to these dates. It was discussed that paying on time for fundraising deadlines is crucial because the Booster Club does not have additional funds to enter gymnasts in meets. Money in the account is earmarked for the approved budget for the year and for fundraising already done for family accounts.

Possible fundraisers for the last deadline are Creative Memories, Lia Sophia, and Little Caesar's Pizza Kits. Look for information in gymnasts folders about upcoming fundraisers. Spaghetti dinner fundraiser – date is March 7th at Ascension Lutheran Church on Gratiot. Details will be available soon.

SCRIP is going well. Next order date is near March 1st.

CAR DECALS: no report

2008 MMG/MMGBC HOSTED MEET:

All positions for committee chairs have been filled as follows:

Meet Director – Paula Peters; Registrations & Scoring Coordinator – Michelle Spitz;
Concessions Coordinator – Cassie Tuckey; Awards & Gifts Coordinator – Michelle McMall;
Vendor Coordinator – Shari Fresorger; Judges & Coaches Food Coordinator – Cindy

Redburn; Volunteer Coordinator – Jen Richards; Program Coordinator – Heidi McGrandy; Decoration Coordinator – Kim Mattson.

The location for the meet has been secured – Bay City Western High School – thank you to Collete Symborski for working on that!

The suggestion box for the meet theme was a huge success – the winning theme is “SKIP & FLIP YOUR WAY TO MOTHER’S DAY” – the winning entry was submitted by Taylor Spitz and Erin Papst – each girl was rewarded with a coupon to Java n’ Cones To Go in Freeland – THANK YOU!

Volunteer signup will be posted at the gym on April 1st.

Concessions donations signup will be posted at the next meeting.

The possibility of selling wood roses similar to those at the Chicago Style meet was discussed; Cassie Tuckey is looking into costs and profit possibilities.

****THERE WILL BE A MEETING WITH ALL COORDINATORS ON WEDNESDAY, FEBRUARY 20TH AT 7PM AT THE GYM.****

There will also be a meeting with all coordinators on April 23rd at 7pm at the gym, as well as a closing meeting on Wednesday, May 21st at 7pm.

It was noted that a vacuum should be brought to the gym early Saturday morning, or used after set up is complete on Friday night as the floors are dirty.

Paula Peters would like to have a first aid table near the entry with visible signs. The possibility of having volunteers staff that table who have experience in first aid was discussed, and is being looked into.

We have supplies from last year’s meet, and items that are used at each meet. They are in multiple boxes upstairs at the gym; Cassie Tuckey will go through the boxes and organize them, putting them in clearly identifiable boxes for future use and convenience, and will have an inventory.

2008 CALENDAR:

We will need volunteers to help with the spaghetti dinner and the upcoming golf outing in June. More information will be available at a later date – keep your eye open for opportunities to volunteer to make these events a great success.

PROPOSALS: none

GEORGE’S REPORT:

The Wolverine Invitational filled up more than two weeks before the registration deadline with 800 gymnasts. The entry for MMG was sent out the week prior, but the meet was already full, so we are not able to attend this competition. We would like to add the Sunrise Gymfest competition, located in Toledo, OH, which is the same weekend. This meet is for levels 4-9 and possibly prep-opt.

Morning conditioning is going well. The gymnasts are functioning well in practice. The numbers are good – just over 20 gymnasts.

Competitive team agreements must be signed and returned. If they are not turned in already – they are late.

Meeting adjourned at 7:58 pm.

NEXT MEETING – MARCH 3RD – 7PM AT THE GYM.
