2008 Level 4 and Prep Opt State Meet May 9-11, 2008

Chris Walko is not going to be able to be the Meet Director.

Cassie Tuckey distributed information outlining the responsibilities of the Meet Director. She would like the position to be filled by February 1st. If you are interested please talk to Cassie.

Previously approved proposal was reviewed regarding fundraising credit for working the meet. Each family is required to work set up or tear down and one session during the meet. They will earn \$50 credit for the 2007-2008 season. Any additional sessions worked will earn points which will be converted into dollars after meet expenses are paid. That credit will be toward the 2008-2009 season. In addition the Meet Director earns \$300 credit, Scoring & Registration Coordinator earns \$300 credit and all other Coordinator positions earn \$100 credit toward the 2008-2009 season.

Sign up sheet will be posted for all Meet Coordinator positions.

Since the meet is Mother's Day weekend we are looking into something we could sell as a fundraiser (i.e.: carnations with messages, balloons with messages). Anyone with a great idea please pass it on to Cassie Tuckey.

We are looking for a great theme for the meet. A suggestion box will be placed next to the folders, please give us your ideas!
