

MidMichigan Gymnastics Booster Club Meeting Minutes May 10th, 2006

Present: Papst, Kamp, Brady, McDonald, Peters, McMall, Flint, Slominski, Mynatt, VanKirk, Babinski, Hillenbrand, Gillett

Meeting called to order @ 7:00pm. April minutes approved by membership as written.

President Report: Spring Banquet attendance numbers needed by June 1st. A face-painting fundraiser will be held this weekend and the participants will earn a total of \$200.00 from Wellman Builders for their service. Sign-up for summer camps should be done soon. Friday night open gym concessions are going well. In the fall we will have a sign-up sheet to staff the concessions. Austin's Flowers did well with sales at the meet but we only made profit from the ad they purchased. Next year we will ask for a % of their profit as we do with other vendors. Papst thanked all those who helped make the meet a success through their planning and participation in running the meet.

V.P./Secretary: No report

Treasurer Report: Estimates for meet expenses and income presented but it is too early to give final profit numbers. Gillett will cover this at next meeting.

Scrip Report: Stock-on-hand has been replenished

Fundraising: ~\$2,000.00 due for 19 families' fundraising commitments. There are still outstanding candy bar monies due as well. Meijer rewards check for June, July and August will be sent in September. Discussion on topic of outstanding fundraising accts and plans to enforce for all members was discussed.

George's Report: George has received very positive reports from Judges regarding our hosted State Meet and he expressed his gratitude for a well-run meet. Summer schedules are done. Groups A-D and possibly E will have a.m. training times. The summer schedule will begin the week of June 12th. Level 6 State Meet will be this weekend in Kalamazoo. Preteam and PreOp State meet is May 20-21 in Ann Arbor. New skills introduction has begun in the gym as State meets are coming to an end. George has no plans at this time regarding moving the gym or constructing a new facility. He will continue to explore opportunities but does not feel the current economy or options available are appropriate at this time. Recreational Spring Show Off days are May 23rd, 24th, and 25th. Preteam and team state champs will be displaying during the show off. We are in need of cookie donations (6-8 dozen/day). Summer camps getting better each year and there are more to choose from. George strongly encourages participation. George would like us to consider a volunteer meal/snack table area at future hosted meets.

Meeting adjourned, 8:05pm. Next meeting, Tuesday, June 6th.
